

# IASWG Group Work Camp Lodging

**A beautiful backdrop to an unforgettable experience.**

La Salle Manor is a picturesque log cabin set among 47 acres of beautiful woodland. Maybe you will roam through the prairie, explore the forest, cozy up to a campfire next to Lake Phillip, or meander along Big Rock Creek. You might even decide to take a dip in the in-ground heated pool. For the playful ones, you have access to a sand volleyball court, tennis courts, basketball court, softball field, horseshoe pits, football field, and canoes for use on the lake.

You will spend three nights in dormitory style housing. Delicious farm-to-table food will be provided during your stay.
