

Step-by-step Guide for Booking Accommodation in Skukuza

We have a group booking for accommodation in the Skukuza Rest Camp in the Kruger National Park for the 40th Annual IASWG symposium from 7-10 June 2018. The reservation options are attached. For more information on the types of accommodation, visit: www.sanparks.org/parks/kruger/camps/skukuza/tourism/accommodation.php

Detailed information on Kruger National Park and all facilities is available at: www.sanparks.org

We have **187 units booked**. That would give us a **minimum of 400 beds** although some units accommodate 3-8 people, increasing the number significantly. The column in **yellow** in the attached document indicates the number of units reserved for us. To secure accommodation in Skukuza for the dates of the symposium people should book accommodation before the end of the 2017 year. Everyone books their own unit and can decide upon booking who they want to share with. Most of the units have single beds. It is thus easy to share with someone. SANPARKS would not assign people.

Examples: If someone (for instance a single person) wants to book **BD2** (BUNGALOW): 1 bedroom with 2 single beds, Air-conditioned, Fridge, Hotplate, no smoking, Sink, Utensils, WC and shower for R1400 per night for 2 people, that person can ask another person if he or she wants to share the unit. The cost is then R700 per person per night. Some units have 3 beds and the luxury units can accommodate 4-8 people with two single beds per bedroom. A single person can also book a unit for him or her alone and will then pay the price of the whole unit, namely R1400 per night. There is no single occupancy option. The unit price is fixed, regardless of 1 or 2 people. There is no breakfast included in any unit as they are all self-catering. Skukuza has a restaurant and a shop.

This is a family cottage **GW2 that can accommodate 4 people in 2 bedrooms and the rate for all 4 people per night is R2490.**

We have **156 units available in our group booking from the Wednesday night 6 June to departure on 11 June = 5 nights** for those people who want to arrive earlier. And we have **another 31 units available from 7 June to departure 11 June = 4 nights**.
