Motivational Interviewing for Group Therapy

Summary

This workshop provides behavior health counselors the opportunity to consider the potential impact of use MI methods in facilitating counseling groups. The workshop includes brief instructional presentations, demonstrations, structured learning activities, and group facilitation skill practice all within the MI framework. *It should be noted that this workshop does not serve as a basic introduction to MI or to group facilitators.*

New Ethical Dilemmas in the Digital Age

Summary

This presentation will review the current literature regarding new ethical dilemmas related to technology and the Web and provide guidance and recommendations for behavioral health professionals. Specifically, this workshop will discuss: History of Technology Use in Counseling – Digital Types – Social Media – Therapist Self-Disclosure – Emailing & Texting Patients – Social Media Policies
