

***Groupwork in Social Work Education, Practice and Research: Being and Joining Together  
Special Interest Groups held in July at the SWSD2018 Conference, in Dublin, Ireland***

Here are photos of 2 Special Interest Groups (*Groupwork in Social Work Education, Practice and Research: Being and Joining Together*), held on July 6, 2018 at the Social Work and Social Development Conference in Dublin, Ireland. Carol S. Cohen (United States), Linda V. Ducca (Spain) and Roshini Pillay (South Africa) facilitated both sessions at this Conference co-sponsored by IASSW, IFSW and ICSW.

The first session, conducted in Spanish and English, was open to all conference attendees, drew 35 participants from approximately 15 countries.

The second session, with representatives of 5 countries, was more informal, and drew people who were familiar with the IASWG and who had attended similar sessions in the past (including IASWG Board Member Shirley Simon).

Additional material, including countries represented, discussion summaries, and next steps will be published shortly at [www.globalgroupworkproject.com](http://www.globalgroupworkproject.com)
